

Telecoms – Quote request form

Affinity / FarmBuyer, Honingham Thorpe, Colton, Norwich, NR9 5BZ

The AF Affinity Limited Telecoms team is dedicated to supporting your telecommunications requirements.

From a single mobile contract to multiple connections requiring a corporate level of support and everything in between, our industry experts can offer scalable solutions to support and grow your business.

By completing the form below we can schedule a suitable time to contact you to start building your bespoke proposal.

Affinity account number: _____ Trading title: _____

What service would you like us to quote for? _____

Mobiles

Landlines

Broadband

Other (please specify): _____

What date does your current contract end? _____

How many connections do you have? _____

What network/provider are you with? _____

Your name: _____ Contact number: _____

Getting your next telecoms contract planned and ready to be implemented at the end of your existing commitment is very important. With that in mind please confirm when you would like us to contact you to start the process:

Immediately

1 month before your current contract ends

3 months before your current contract ends

Specific date: _____

To quote accurately we need to review your current usage. Please provide us with some sample billing.

This needs to be a minimum of one complete bill, fully itemised representing your typical usage. If you have a log-in to your current supplier's online account management tool, please provide your log-in details below:

Website address: _____

Your username: _____

Your password: _____

All details recorded on this form are kept entirely confidential, and any records are destroyed at the end of the analysis process. Return this form to business@affinity.co.uk or fax it to 01603 881 890 or post it to the address above.
